THANK YOU ALL VERY MUCH from DWC Limited, between us we have created a competition with over 5,800 from 45 countries. This means we have more competitors than the Olympic and Commonwealth Games with more countries than both. What an achievement!

However, the scheduling has become difficult and we did not want classes to finish at 2am! We have therefore purchased a 2nd air-conditioned theatre in the centre of Sitges. Most solos and duet /trios will be on this stage. The theatre is beautiful and the changing room space just renovated. The stage however is smaller than we would like being 7 by 8.5 metres. Full Club Wow service for videos and photos will be in both theatres so do not forget to register with them to receive your social media.

By taking this decision we have taken into account travel times between venues when competing and we have ensured there are no clashes between stages. The actual schedules are now on our website and we urge you to look at these to ensure your dancers are able to reach both events. For those with 1 hour or under we will arrange transport to take you directly to the other theatre.

DEADLINE FOR NOTIFYING US OF ANY POTENTIAL CLASHES IS MIDNIGHT UK TIME ON TUESDAY 15th MAY AS THE SOUVENIR PROGRAMME WILL GO TO PRINT ON 16th MAY.

If you do notice a clash then please email us on [dance@dwcworld.com](mailto:dance@dwcworld.com) so we can rectify. If you are not be able to attend the prize giving at the theatre in town or the Melia due to your other dance commitment on the opposite stage, you will be presented with your medal at the next prize giving after you have performed in the 2nd class. The help desk will have the results from the town theatre 30-60 minutes after the prize giving so you will know where you have finished.

Please bear with us, to put this competition on is monumental and remember most of our helpers are volunteers, should you need to complain, please direct the complaint to myself, Eliana or Caroline. A complaint form will be available at the help desk if you wish a reply, this is the only format that DWC will accept. Should an urgent situation need rectifying before the end of the competition, contact will be made by phone after we have considered the query or complaint.

Good luck to all the dancers and enjoy wonderful Spain.

See you there !
