26.1.e Dancers are allowed to enter a solo in both a ballet repertoire class (eg JSBR) and a ballet class (eg JSB). Note rule 8.4.

26.1.f Dancers are allowed to enter a duet in both a duet ballet class (eg KDB) and a pas de deux class (eg KDPBR). Note rule 8.5).

26.1.g Repertoire dances are allowed in *MiniSB – Mini Solo Ballet*, but this is for the more competent dancer as the choreographic mark will be based on the original steps. We recommend that teachers choreograph individual pieces for their dancers which highlight their technical ability.

26.1.h DWC take no responsibility for any choreography in ANY GENRE that is copyrighted. If the trustees of the choreography pursue an illegal use of a choreography performed at any DWC event, it is the sole responsibility of the dance school to pay any fines that are imposed. For ease of doubt, we know that the following works are copyrighted: Balanchine, Lacotte and Mat Ek work. This list is not comprehensive, and it is the duty of the dance school to ensure if they are using professional choreography that the relevant permission has been granted to them. This also includes copyright from choreography from TV and theatre productions.

26.2 NATIONAL AND FOLKLORE

26.2.a National or folklore dances from any country may be presented by dance students from any country.

26.2.b A traditional dance wearing traditional shoes should be entered into the national and folklore sections and not into the tap section.

26.2.c The official entry form **must** contain in the title of the dance the name of the country where the dance originates from, *e.g. Tarantella (Southern Italian Dance)*

26.2.d Due to the variety of countries represented in the national classes, no marks are awarded for authenticity of the dance.

26.3 LYRICAL, JAZZ, SHOWSTOPPER, CONTEMPORARY AND ACRO

26.3.a Please see **ATTACHMENT 3** for a description of these classes.

26.3.b Pointe shoes can be worn in the Lyrical, Jazz, Showstopper, Contemporary and Acro sections if the choreography is enhanced by the wearing of pointe shoes (age 12 and above only). Please note rule 25.6.

26.3.c Acrobatic moves in the Contemporary, Lyrical, Jazz and Showstopper classes should be kept to a minimum and only used if they enhance the choreography. Excessive use of acrobatic moves in these classes may be penalised.

26.3.d Pre-recorded enhancements:

This rule applies to the following categories: Tap and Showstopper.

- There must be no pre-recorded tapping sounds on any music used in the competition. All dancing must be performed live. If a track has tapping embedded in the music already, such as in "Anything Goes" from the musical Anything Goes, then this should be deemed unusable unless the tapping sounds can be removed completely.
- Should a school enter a dance that does not comply with this rule, 5 points will be deducted.

26.4 **SONG AND DANCE**

26.4.a The Song and Dance section must be sung live by the performers on stage. Music must NOT contain any vocals performed or pre-recorded by the competitor or any backing vocals. Should a school enter a dance that does not comply with this rule, 5 points will be deducted.

26.4.b Microphones will be supplied at the DWC finals. Dancers will have the choice of headset microphones or handheld microphones. A maximum of 3 microphones may be used for groups, these can be headset, handheld or a combination of both. Please consider access for microphone placement when designing costumes for song and dance.

26.4.c For Song and Dance entries DWC is not responsible for gaining permission or paying royalty fees for a particular performance, this onus is on the teacher/dance school having the correct PRS/PPL Licenses in place.

26.4.d Music in the song and dance section must be age appropriate

26.4.e For scoring in Song and Dance, vocal technique and musicality will be marked alongside the dance.

26.5 **TAP**

26.5.a Tap shoes **must** be worn in the tap section. Hard Irish shoes are not permitted in the tap section. If hard Irish shoes are worn, the dance should be entered in the National section.

26.5.b Tap may be performed without music during the performance.

26.5.c A tacit section may be used at any point in a tap performance and the dance will always be timed from the first sound of the performance made on stage.

26.5.d Timing commences from the very first step of the tap dance or the first note of the

music whichever is first. Timing ends with the end of the music or with the last tap beat whichever is last.

27. COUNTRY AWARD

27.1 The rules for the country award will be released in May of the competition year.
