Créateur 2021

During times of hardship, people seek solace by turning to the arts: music, dance, literature, and so on. We at Ballet Rosa did exactly this as we planned our 2021 Catalogue, turning to architectural, sculptural, and modern artistic sources of inspiration as we sought to develop new shapes, textures, and designs. Looking forward to a new season of renewal and strength, we are proud to offer our 2021 Créateur Catalogue, featuring a full range of new colors, prints, and styles. We hope that our inspiration becomes your inspiration, enabling you to take flight and overcome all obstacles.

Chantilly Collection

Add new layers and dimensions to your dancing with the Chantilly Collection, featuring a breathtaking mix of 3D textures. Autumnal floral and foliar patterns weave and intertwine through embroidery, beading, and sewn-in cording on soft Italian microfiber and stretch mesh, evoking images of wings and royal signals. The swirling shapes enhance the silhouette of the dancer, complimenting the back, shoulders, and bust for a sophisticated, feminine look. Available in sizes Youth 10 up to Adult 44.

Versailles Collection

Evocative of the opulence and majesty of one of the grandest palaces in Europe, the Versailles Collection makes dancers feel like royalty with luxurious Italian microfiber, four-way stretch mesh, and elegant floral embellishments. This year, Ballet Rosa has raised the bar even higher with the addition of exquisite metallic gold detailing in three new styles. The original Adèle leotard and Leonie wrap skirt with velvet flock embossing are joined by Thea, Minerve, and Dalila for a glittering mix-and-match of symmetry and asymmetry, modernity and romance, texture and comfort. They say that all that glitters is not gold, but with the breathtaking Versailles Collection, it most certainly is. Available in sizes Youth 8 up to Adult 44.

Laffitte Collection

Inspired by the interior of the Palais Royal, the Laffitte Collection showcases a piquant pied-de-poule print for haute couture with a twist. Originally made famous by Christian Dior, this signature print is reimagined by Ballet Rosa with a stunning ombré effect. The pied-de-poule pattern on the bodice fades to black on the front and to white on the back, creating a sophisticated look that elevates the senses while enhancing the silhouette of the dancer. Available in three new leotard styles in sizes Youth 10 up to Adult 44.

Elysée Collection

Just as dancers flow smoothly from one movement to the next, so too does the Elysée Collection mesh seamlessly with the rest of your wardrobe. Inspired by dip-dye gradients, these soft microfiber leotards feature a beautiful ombré print that subtly transitions from light to dark. In addition to two new leotard styles, Anya and Rochelle, the Elysée Collection now offers an elegant pull-on skirt, Marjorie. Featuring a reverse ombré print designed to fit harmoniously with any leotard, these stretch mesh skirts elongate the line of the body for a gorgeous look destined to stand-out in class and onstage. Available in sizes Youth 8 up to Adult 44.

Navarre Collection

Versatile and reversible, the innovative Navarre Collection deserves a double-take with the addition of two new leotard styles and pull-on skirts. The new skirts are a particular stroke of genius, being printed black on one side and red on the other without fear of the other color showing through. Not to be outdone, the leotards feature a brand new, breathtaking print evocative of wings, empowering dancers to take flight in the studio and across the stage. With the Navarre Collection, dancers get equal parts classic and dramatic with styles that can easily transition from meeting all-black dress code standards to letting loose in auditions with the stunning red print on the reverse side. Available in sizes Youth 8 up to Adult 44.

Palais-Royal Collection

Just as the rose adds beauty to any trellis, so does our delicate embroidery enhance the romanticism and femininity of your dancing. Our exquisite floral embellishments are planted in the rich earth of soft Italian microfiber and four-way stretch mesh for a leotard that will work as hard as you do. For a subtle look in the studio, choose Noir embroidery; to stand-out in auditions and rehearsals, opt for a pop of color with Bordeaux. Available in sizes Youth 8 up to Adult 44.

La Cité Collection

Inspired by the diverse ways dancers express themselves both on and off the stage, the all new La Cité Collection features four new prints based on tattoo designs from around the world. The Fenix and Rae Leotards are paired with the Rêve Pull-On Skirt for a dramatic, American-inspired look evocative of wings. The Zoe Leotard and matching Sierra Leggings offer dancers a feminine, elegant style with English-inspired florals. Last but not least, the Taylor Leotard and Indie Leggings create a stunning look with intricate prints inspired by traditional Maori and Indian-American tattoos. Made with a brand new heather grey stretch jersey that is super soft and exclusive to Ballet Rosa, the La Cité Collection allows you to take on the world in comfort and style. How to measure

Bust Wrap the measuring tape around the fullest part of your chest

Waist Measure around your natural waistline, which is the smallest area of the waist.

Hips Stand with feet together. Keeping tape straight and parallel to the floor, measure around fullest part.

Girth Place a tape measure at the top of the shoulder where a leotard strap sits, then down through the crotch and back to the same shoulder.

Inseam Measure inside length of your leg from the crotch to bottom of ankle.

Special Care

Due to the delicate nature of certain materials, please wear garments made of chiffon or stretch mesh with great care. Wash delicately by hand. The brand will not be liable for any damages caused by excessive or inappropriate usage.

Products that contain gold foil or beads should be hand washed.
Lay flat to dry. Do not wring or iron.

Wash and Care

Keeping your Ballet Rosa products in good shape depends solely on your care. Each material has different quality standards. Please respect the wash care labels and the care instructions stated below.

Garments made of chiffon and stretch mesh should follow these instructions:

Hand wash in cold water · Use mild detergent
Do not iron · Do not tumble dry · Allow to dry flat

Intense sweating combined with the high temperature of the body over long periods could have negative effects and cause discoloration.

Color references are merely informative.
Colors may vary slightly depending on material and dying batch.

At Ballet Rosa, we aspire to encourage and enhance the creative journeys of dancers worldwide with comfortable, couture dancewear that makes you look and feel your best. We admire the tenacity of dancers to endeavor to persevere through all obstacles, no matter what. Thank you for allowing us to continue to be the wind beneath your wings as your dreams take flight.

A group of incredibly special people moved mountains to achieve the creation of our new catalog during a very out-of-the-ordinary year. The efforts that went into making our 2021 catalog will not be forgotten.

Thank You!
